

# FX PRO 1000

## LED grow light

### Why NOKOTECH?

Not only are all our products made of high-quality materials using industry-leading technologies, but they are designed to be easy to transport, install, and use. We think it all.

### Why choose FX PRO 1000?

- Very lightweight fixture - only 12.5 kg / 27.6 lbs
- Easy installation - no wiring is needed for mounting LED bars
- Very high PPF and efficacy levels: 2700  $\mu\text{mol/s}$  and 2.7  $\mu\text{mol/j}$
- Supports 0-10V controllers

### Specifications

The BEST value for MONEY

#### MAX POWER - 1000W

This fixture is powerful enough to be used with CO2 and very durable too with a lifespan > 50.000h.

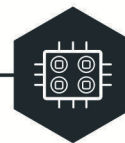

#### PPE - 2.7 $\mu\text{mol/j}$

With a great efficacy level and low heat emission, it saves much on electricity costs and delivers higher yields.

#### PPF - 2700 $\mu\text{mol/s}$

Impressive PPF output gives more light so it is the top choice for any scale indoor growers.

#### High Quality LEDs

High-quality San'an (white) and Osram (red) LEDs create a balanced full spectrum light.
